**PROXY STATEMENT**

**SOUNDHOUND AI, INC.  
ANNUAL MEETING OF STOCKHOLDERS  
to be held virtually at 8:00 a.m. Pacific Time on Wednesday, June 12, 2024**

**QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS**

**Why am I receiving these Proxy Materials?**

The Company has made these materials available to you on the Internet or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the solicitation of proxies by the Board of Directors (the “**Board**”) of SoundHound AI, Inc. for use at the 2024 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on a virtual basis on Wednesday, June 12, 2024 at 8:00 a.m. Pacific Time, and at any postponement(s) or adjournment(s) thereof. These materials were first sent or given to stockholders on or about April 14, 2024. This proxy statement gives you information on these proposals so that you can make an informed decision.

In this proxy statement, we refer to SoundHound AI, Inc. as the “**Company**”, “**we**”, “**us**” or “**our**” or similar terminology.

**What is included in these materials?**

These materials include:

- This Proxy Statement for the Annual Meeting; and
- The Company’s Annual Report on Form 10-K for the year ended December 31, 2023; and
- If you requested printed versions of these materials by mail, a proxy card (if you are a stockholder of record) or a voting instruction form (if you are a beneficial owner of shares held in street name).

**Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?**

Pursuant to rules adopted by the Securities and Exchange Commission (“**SEC**”), the Company has elected to provide access to its proxy materials via the Internet instead of mailing printed copies. Accordingly, the Company is sending a Notice of Internet Availability of Proxy Materials (the “**Internet Availability Notice**”) to the Company’s stockholders. Most stockholders will not receive printed copies of the proxy materials unless they request them. Instead, instructions on how to access the proxy materials over the Internet or to request a printed copy may be found with the Internet Availability Notice. All stockholders will have the ability to access the proxy materials on the website referred to in the Internet Availability Notice or request to receive a printed set of the proxy materials. Stockholders may request to receive proxy materials in printed form by telephone, mail, by logging on to <http://www.proxyvote.com> or electronically by email on an ongoing basis. The Company encourages stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of our annual meetings.

**How can I get electronic access to the proxy materials?**

The Internet Availability Notice will provide you with instructions regarding how to:

- View the Company’s proxy materials for the Annual Meeting on the Internet; and
- Instruct the Company to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company’s annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials. Your election to receive proxy materials by email will remain in effect until you terminate it.

### **Who can vote at the annual meeting of stockholders?**

Stockholders who owned shares of our Class A common stock, par value \$0.0001 per share (the “**Class A Common Stock**”), and/or Class B common stock, par value \$0.0001 per share (the “**Class B Common Stock**”) and together with the Class A Common Stock, the “**Common Stock**”) on April 15, 2024 (the “**Record Date**”) may vote at the Annual Meeting. There were 287,715,003 shares of Class A Common Stock outstanding on the Record Date, each having one vote per share, and there were 32,735,408 shares of Class B Common Stock outstanding on the Record Date, each having ten votes per share. All shares of Common Stock vote together as a single class. Accordingly, a total of 615,069,083 votes may be cast at the Annual Meeting. Information about the stockholdings of our directors and executive officers is contained in the section of this Proxy Statement entitled “Beneficial Ownership of Principal Stockholders, Officers and Directors” on page 35 of this Proxy Statement.

### **What is the proxy card?**

The proxy card enables you to appoint Dr. Keyvan Mohajer, our Chief Executive Officer and a Director, Nitesh Sharan, our Chief Financial Officer, and Warren Heit, our general counsel, as your representatives at the Annual Meeting. By completing and returning the proxy card or voting online as described herein, you are authorizing Dr. Mohajer and Messrs. Sharan and Heit to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, we think that it is a good idea to complete and return your proxy card before the Annual Meeting date just in case your plans change. If a proposal comes up for vote at the Annual Meeting that is not on the proxy card, the proxies will vote your shares, under your proxy, according to their best judgment. The proxy card (or voter information form) will also contain your control number. You will need to use the control number appearing on your proxy card to vote prior to or at the Annual Meeting.

### **What am I voting on?**

You are being asked to vote:

1. To elect Dr. Keyvan Mohajer, James Hom, Larry Marcus, Diana Sroka and Dr. Eric Ball as directors (the “**Director Nominees**”) to serve on the Company’s Board for a one-year term that expires at the 2025 Annual Meeting of Stockholders, or until their successors are elected and qualified;
2. To ratify the appointment by the Board of PricewaterhouseCoopers LLP (the “**Auditor**”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024;
3. To approve, on a non-binding, advisory basis, the compensation of our named executive officers;
4. To select, on a non-binding, advisory basis, the frequency of conducting future stockholder advisory votes on named executive officer compensation; and
5. To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

### **How does the Board recommend that I vote?**

Our Board unanimously recommends that the stockholders vote “**FOR**” all of the Director Nominees, “**FOR**” the ratification of the appointment of the Auditor as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024, “**FOR**” the approval, on a non-binding, advisory basis, of the compensation of our named executive officers, and for “**3 YEARS**” for the frequency of conducting future stockholder advisory votes on named executive officer compensation.

### **What is the difference between holding shares as a stockholder of record and as a beneficial owner?**

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

*Stockholder of Record*

If, on the Record Date, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you are a “stockholder of record” who may vote at the Annual Meeting, and we are sending these proxy materials directly to you. As the stockholder of record, you have the right to direct the voting of your shares as described below. Whether or not you plan to attend the Annual Meeting, please complete, date and sign the enclosed proxy card to ensure that your vote is counted.

*Beneficial Owner*

If, on the Record Date, your shares were held in an account at a brokerage firm or at a bank or other nominee holder, you are considered the beneficial owner of shares held “in street name,” and these proxy materials are being forwarded to you by or at the direction of your broker or nominee who is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to vote your shares and to attend the Annual Meeting as described below. Whether or not you plan to attend the Annual Meeting, please vote prior to the Annual Meeting as described below to ensure that your vote is counted.

**How do I vote my shares?**

There are four ways to vote:

- (1) *Via the Internet.* Use the internet to vote by going to the internet address listed on your proxy card or Internet Availability Notice; have your proxy card or Internet Availability Notice in hand as you will be prompted to enter your control number to create and submit an electronic vote. If you vote in this manner, your “proxy,” whose name is listed on the proxy card or Internet Availability Notice, will vote your shares as you instruct on the proxy card or Internet Availability Notice. If you sign and return the proxy card or submit an electronic vote but do not give instructions on how to vote your shares, your shares will be voted as recommended by the Board.
- (2) *Via telephone.* Using a touch-tone telephone, you may transmit your voting instructions to the number provided on your proxy card or Internet Availability Notice. Have your proxy card or Internet Availability Notice in hand as you will be prompted to enter your control number to create and submit a telephonic vote.
- (3) *In person on a virtual basis.* You may vote at the Annual Meeting by following the instructions when you log-in for the Annual Meeting. Have your proxy card or Internet Availability Notice in hand as you will be prompted to enter your control number to vote at the Annual Meeting.
- (4) *By Mail.* You may vote by mail. If you requested printed copies of the proxy materials by mail and are a record holder, you may vote by proxy by filling out the proxy card and sending it back in the envelope provided. If you requested printed copies of the proxy materials by mail and are a beneficial holder you may vote by proxy by filling out the vote instruction form and sending it back in the envelope provided by your brokerage firm, bank, broker-dealer or other similar organization that holds your shares.

**How do I request a paper copy of the proxy materials?**

There are four ways to request a paper copy of proxy materials:

- By mail: You may obtain a paper copy of the proxy materials by writing to us at 5400 Betsy Ross Drive, Santa Clara, CA, 95054, Attn: Warren Heit.
- By telephone. You may obtain a paper copy of the proxy materials by calling 1-800-579-1639 or the Company at (408) 441-3200.
- Via the Internet: You may obtain a paper copy of the proxy materials by logging on to <http://www.proxyvote.com>.
- By Email: You may obtain a paper copy of the proxy materials by email at [sendmaterial@proxyvote.com](mailto:sendmaterial@proxyvote.com).

Please make your request for a paper copy as instructed above on or before May 29, 2024 to facilitate timely delivery.

**What does it mean if I receive more than one proxy card?**

You may have multiple accounts at the transfer agent and/or with brokerage firms. Please sign and return all proxy cards to ensure that all of your shares are voted.

**What if I change my mind after I return my proxy?**

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

- sending a written notice to Warren Heit, our General Counsel, stating that you would like to revoke your proxy of a particular date;
- signing another proxy card with a later date and returning it before the polls close at the Annual Meeting; or
- voting at the Annual Meeting.

Please note, however, that if your shares are held of record by a brokerage firm, bank or other nominee, you may need to instruct your broker, bank or other nominee that you wish to change your vote by following the procedures on the voting form provided to you by the broker, bank or other nominee.

**Will my shares be voted if I do not sign and return my proxy card?**

If your shares are held in your name and you do not sign and return your proxy card, your shares will not be voted unless you vote at the Annual Meeting. If you hold your shares in the name of a broker, bank or other nominee, your nominee may determine to vote your shares at its own discretion on certain routine matters, such as the ratification of the Auditor, absent instructions from you. However, due to voting rules that may prevent your bank or broker from voting your uninstructed shares on a discretionary basis in the election of directors, the compensation of our named executive officers, the frequency of conducting future stockholder advisory votes on named executive officer compensation and other non-routine matters, it is important that you cast your vote.

**How may I vote with respect to each proposal and how are votes counted?**

Your voting options will be dependent on the particular proposal for which you wish to cast a vote. With respect to proposal 1 (the election of directors), you may vote “for” all of the Director Nominees or “withhold” authority to vote for one or all of the Director Nominees. With respect to each of proposals 2 and 3, you may vote “for” or “against” such proposal or you may “abstain” from casting a vote on such proposal. With respect to proposal 4, you may vote for “1 Year,” “2 Years” or “3 Years” or you may “abstain” from casting a vote on such proposal. Abstentions, votes marked “withheld” and broker non-votes will be counted for the purpose of determining whether a quorum is present at the Annual Meeting.

Broker non-votes occur on a matter when a broker is not permitted to vote on that matter without instructions from the beneficial owner and instructions are not given. These matters are referred to as “non-routine” matters. The election of the directors, the advisory vote on compensation of our named executive officers, and the frequency of conducting future stockholder advisory votes on named executive officer compensation are “non-routine.” Thus, in tabulating the voting result for these proposals, shares that constitute broker non-votes are not considered votes cast on that proposal. The ratification of the appointment of the Auditor is a “routine” matter and therefore a broker may vote on this matter without instructions from the beneficial owner as long as instructions are not given.

**How many votes are required to elect the Director Nominees as directors of the Company?**

In the election of directors, the five persons receiving the highest number of affirmative votes at the Annual Meeting will be elected. Only shares that are voted in favor of a particular nominee will be counted toward that nominee’s achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee’s achievement of a plurality.

**How many votes are required to ratify the Company’s independent public accountants?**

The affirmative vote of the holders of a majority of the Common Stock represented and entitled to vote at the Annual Meeting is required to ratify the Auditor as our independent registered public accounting firm for the year ending December 31, 2024. Abstentions will have the effect of a vote against the ratification of this proposal, but since this is a routine matter, brokers may vote at the Annual Meeting on this proposal provided that they have not received instructions from a beneficial owner.

**How many votes are required to approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers?**

The affirmative vote of the holders of a majority of the Common Stock represented and entitled to vote at the Annual Meeting is required to approve, on a non-binding, advisory basis, the compensation of our named executive officers. Abstentions will have the same effect as votes against the proposal. Broker non-votes will have no effect on the approval of the compensation of our named executive officers.

**How many votes are required to approve, on a non-binding, advisory basis, the frequency of conducting future stockholder advisory votes on named executive officer compensation?**

In the determination of the frequency of conducting future stockholder advisory votes on named executive officer compensation, the frequency receiving the highest number of affirmative votes at the Annual Meeting will be deemed to be the frequency selected by our stockholders. Only shares that are voted in favor of a particular frequency will be counted toward that frequency’s achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular frequency or shares present by proxy where the stockholder properly withheld authority to vote for such frequency will not be counted toward that frequency’s achievement of a plurality. Broker non-votes will have no effect on the determination of the frequency of conducting future stockholder advisory votes on named executive officer compensation.

**What happens if I don’t indicate how to vote my proxy?**

If you just sign your proxy card without providing further instructions, your shares will be counted as a “for” vote for all of the Director Nominees, “for” the ratification of the appointment of the Auditor as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024, “for” the approval, on a non-binding, advisory basis, of the compensation of our named executive officers, and for “3 Years” for the frequency of conducting future stockholder advisory votes on named executive officer compensation.

**Is my vote kept confidential?**

Proxies, ballots and voting tabulations identifying stockholders are kept confidential and will not be disclosed except as may be necessary to meet legal requirements.

**Where do I find the voting results of the Annual Meeting?**

We may announce voting results at the Annual Meeting and will file a Current Report on Form 8-K announcing the voting results of the Annual Meeting.

**Who can help answer my questions?**

You can contact our General Counsel, Warren Heit, at (408) 441-3200 or by sending a letter to Mr. Heit at the offices of the Company at 5400 Betsy Ross Drive, Santa Clara, CA, 95054 with any questions about proposals described in this Proxy Statement or how to execute your vote.

**Who bears the cost of soliciting proxies?**

The cost of preparing, assembling, printing and mailing this proxy statement and the accompanying proxy card, and the cost of soliciting proxies relating to the Annual Meeting, will be borne by the Company. We expect to request nominee organizations to assist in the distribution of our proxy materials to their beneficial owner customers and may reimburse such organizations for certain of their reasonable out-of-pocket expenses related thereto. Our officers, directors and employees may assist in soliciting proxies or votes by telephone, electronic and personal communications, but no additional compensation will be paid to such individuals in connection with such activities.

## THE ANNUAL MEETING

### *General*

This Proxy Statement is being furnished to you, as a stockholder of SoundHound AI, Inc., as part of the solicitation of proxies by our Board for use at the Annual Meeting to be held on June 12, 2024, and any adjournment or postponement thereof. This Proxy Statement is first being furnished to stockholders on or about May 3, 2024. This Proxy Statement provides you with information you need to know to be able to vote or instruct your proxy how to vote at the Annual Meeting.

### *Date, Time, Place of Annual Meeting*

The Annual Meeting will be held on a virtual basis on Wednesday, June 12, 2024 at 8:00 a.m. Pacific Time, or such other date, time and place to which the Annual Meeting may be adjourned or postponed.

### *Purpose of the Annual Meeting*

At the Annual Meeting, the Company will ask stockholders to consider and vote upon the following proposals:

1. To elect the Director Nominees to serve on the Board for a one-year term that expires at the 2025 Annual Meeting of Stockholders, or until their successors are elected and qualified;
2. To ratify the appointment by the Board of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024;
3. To approve, on a non-binding, advisory basis, the compensation of our named executive officers;
4. To select, on a non-binding, advisory basis, the frequency of conducting future stockholder advisory votes on named executive officer compensation; and
5. To transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

### *Recommendations of the Board*

After careful consideration of each nominee for director, the Board has unanimously determined to recommend that stockholders vote "FOR" each of the Director Nominees, "FOR" the ratification of the appointment of the Auditor as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2024, "FOR" the approval, on a non-binding, advisory basis, of the compensation of our named executive officers, and for "3 YEARS" for the frequency of conducting future stockholder advisory votes on named executive officer compensation.

### *Record Date and Voting Power*

Our Board fixed the close of business on April 15, 2024, as the record date for the determination of the outstanding shares of Common Stock entitled to notice of, and to vote on, the matters presented at the Annual Meeting. As of the Record Date, there were an aggregate of 320,450,411 shares of Common Stock outstanding, consisting of 287,715,003 shares of Class A Common Stock and 32,735,408 shares of Class B Common Stock. Each share of Class A Common Stock entitles the holder thereof to one vote and each share of Class B Common Stock entitles the holder thereof to ten votes. All shares of Common Stock vote together as a single class. Accordingly, a total of 615,069,083 votes may be cast at the Annual Meeting.

### *Quorum and Required Vote*

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present at the meeting if a majority of the voting power of the capital stock of the Company that is issued and outstanding and entitled to vote at the Annual Meeting is represented at the Annual Meeting or by proxy. Abstentions, votes marked "withheld" and broker non-votes will count as present for purposes of establishing a quorum.

## Table of Contents

In the election of directors, the five persons receiving the highest number of affirmative votes cast at the Annual Meeting will be elected. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality. Broker non-votes will have no effect on the election of directors.

The affirmative vote of the holders of a majority of the Common Stock represented and entitled to vote at the Annual Meeting is required to ratify the Auditor as our independent registered public accounting firm for the year ending December 31, 2024. Abstentions will have the effect of a vote against the ratification of the appointment of the Auditor. Brokers may use their discretion to vote shares held by them of record for this proposal if they have not been provided with voting instructions from the beneficial owner of the shares of Common Stock.

The affirmative vote of the holders of a majority of the Common Stock represented and entitled to vote at the Annual Meeting is required to approve, on a non-binding, advisory basis, the compensation of our named executive officers. Abstentions will have the same effect as votes against the proposal. Broker non-votes will have no effect on the approval of the compensation of our named executive officers.

In the determination of the frequency of conducting future stockholder advisory votes on named executive officer compensation, the frequency receiving the highest number of affirmative votes at the Annual Meeting will be deemed to be the frequency selected by our stockholders. Only shares that are voted in favor of a particular frequency will be counted toward that frequency's achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular frequency or shares present by proxy where the stockholder properly withheld authority to vote for such frequency will not be counted toward that frequency's achievement of a plurality. Broker non-votes will have no effect on the determination of the frequency of conducting future stockholder advisory votes on named executive officer compensation.

While we know of no other matters to be acted upon at this year's Annual Meeting, it is possible that other matters may be presented at the Annual Meeting. ## PROPOSAL 1 ELECTION OF DIRECTORS

### *Introduction*

The Board has nominated the Director Nominees to stand for election at the Annual Meeting. Stockholders will be asked to elect each of the Director Nominees, each to hold office until the 2025 Annual Meeting of Stockholders or until his or her successor is elected and qualified. The enclosed proxy, if returned, and unless indicated to the contrary, will be voted for the election of each of the Director Nominees.

We have been advised by each of the Director Nominees that he or she is willing to be named as a nominee and each is willing to serve or continue to serve as a director if elected. If some unexpected occurrence should make necessary, in the discretion of the Board, the substitution of some other person for the nominees, it is the intention of the persons named in the proxy to vote for the election of such other persons as may be designated by the Board.

### *Board Qualifications*

We believe that the collective skills, experiences, and qualifications of our directors provide our Board with the expertise and experience necessary to advance the interests of our stockholders. In selecting directors, the Board considers candidates that possess qualifications and expertise that will enhance the composition of the Board, including the considerations set forth below. The considerations set forth below are not meant as minimum qualifications, but rather as guidelines in weighing all of a candidate's qualifications and expertise. In addition to the individual attributes of each of our current directors described below, we believe that our directors should have the highest professional and personal ethics and values, consistent with our longstanding values and standards. They should have broad experience at the policy-making level in business, exhibit commitment to enhancing stockholder value and have sufficient time to carry out their duties and to provide insight and practical wisdom based on their past experience.

### *Director Nominees*

Our Board currently consists of five directors, Dr. Keyvan Mohajer, James Hom, Larry Marcus, Diana Sroka, and Dr. Eric Ball. Accordingly, at the Annual Meeting, five directors are to be elected, each to serve until the next Annual Meeting of Stockholders and until his or her successor shall be elected and shall qualify. Each of the current directors that has determined to stand for reelection at the Annual Meeting has been nominated for reelection to the Board. All of the Director Nominees are available for election as members of the Board. If for any reason a Director Nominee becomes unavailable for election, the proxies solicited by the Board will be voted for a substitute nominee selected by the Board.

The following sets forth the biographical background information for all of our Director Nominees:

**Dr. Keyvan Mohajer.** Dr. Keyvan Mohajer has been our Chief Executive Officer and a member of the Board since the consummation of the Business Combination in April 2022. Dr. Mohajer has served as Legacy SoundHound's Chief Executive Officer and a member of Legacy SoundHound's Board of Directors (the "**Legacy SoundHound Board**") since 2005, when he co-founded Legacy SoundHound. Dr. Mohajer is a technical founder and visionary entrepreneur with over 20 years of experience scaling multiple companies. Dr. Mohajer is a key contributor to SoundHound's core technologies, with over 90 patents granted or pending. In 2017, Dr. Mohajer was named a "Top 40 Under 40" business leader by Silicon Valley Business Journal. Dr. Mohajer received his Bachelor of Science degree in Electrical Engineering from the University of Toronto in 2000, his Master of Science from Stanford University in 2002 and his Ph.D. in Electrical Engineering from Stanford University in 2007. We believe that Dr. Mohajer, as a founder of the company, is well qualified to serve as a member of the Board because of his extensive knowledge of the Company's business and technologies.

**James Hom.** James Hom has been a member of the Board and Chief Product Officer since the consummation of the Business Combination in April 2022. Mr. Hom, one of SoundHound's co-founders, has served as Vice President of Products and the Chief Product Officer and a member of the Legacy SoundHound Board since 2006. As Chief Product Officer, Mr. Hom leads product development and advancement of SoundHound's Voice AI platform and multiple business-to-consumer products. Mr. Hom earned his Bachelor of Science Degree in Computer Science from Stanford University in 2005. We believe that Mr. Hom, as a founder of the company, is well qualified to serve as a member of the Board because of his extensive knowledge of the Company's business and technologies.

**Larry Marcus.** Larry Marcus has been a member of the Board since the consummation of the Business Combination in April 2022. Prior to that, Mr. Marcus served as a member of the Legacy SoundHound Board since 2009. He is a Co-founder and Managing Director of Marcy Venture Partners, a San Francisco-based venture capital firm investing in consumer, culture and positive impact businesses since February 2018. Since June 2000, Mr. Marcus has also been a Managing Director at Walden Venture Capital. Previously, Mr. Marcus was a digital media sell-side equity research analyst at Deutsche Bank Alex Brown from 1995 to 2000. Mr. Marcus currently serves, and in the past has served, on the boards of directors of a number of private companies, some of which have gone on to become public companies. Mr. Marcus received his Bachelor of Arts in Political Economy of Industrial Societies in 1987 and his Master of Business Administration in 1993, both from the University of California, Berkeley. We believe that Mr. Marcus is well qualified to serve as a member of the Board because, as a member of the Legacy SoundHound Board, he has extensive knowledge of the Company's business, and also because of this significant venture capital and finance experience.

**Diana Sroka.** Diana Sroka has been a member of the Board since the consummation of the Business Combination in April 2022. In 2001, Ms. Sroka joined HP Inc. ("**HP**") (f/k/a Hewlett-Packard Company) (NYSE:HPQ), a global technology company based in Palo Alto, California, and has held various leadership roles in finance and business functions within HP. Starting May 2023, Ms. Sroka is serving as the global product leader for HP's new Consumer Services Business, expanding her prior role leading consumer print services. Prior to these assignments, from March 2017 to November 2020, Ms. Sroka served as HP's Chief Executive Officer's Chief of Staff, where she was responsible for regular review and approval of internal Sarbanes-Oxley Act controls related to matters managed by the Executive Leadership Team. Prior to serving as Chief of Staff, Ms. Sroka served as an Investor Relations Officer on HP's Investor Relations team commencing in June 2014. From November 2015 through March 2017, she served as HP's Head of Investor Relations. Prior to her employment at HP, Ms. Sroka was a Business Planning Analyst for Visteon Corporation and a Product Engineer with Ford Motor Company. Ms. Sroka was elected to the Board of Professional Business Women of California in November 2022, and in July 2023, she was elected the Treasurer of the Executive Committee. Ms. Sroka earned her Bachelor of Science Degree in Mechanical Engineering from Pennsylvania State University in 1995 and her Master of Business Administration Degree from the University of Michigan in 2000. We believe that Ms. Sroka is well qualified to serve as a member of the Board because she has extensive background in accounting, financial management and internal accounting controls.

**Dr. Eric R. Ball.** Dr. Eric R. Ball has been a member of our Board since the Company's initial public offering in March 2021 and remained on the Board following the Business Combination. Since 2016, Dr. Ball has been the General Partner of Impact Venture Capital, a Silicon Valley based venture firm investing in early-stage applied-AI start-up companies. From 2015 until 2016, Dr. Ball served as the Chief Financial Officer for C3 AI, an enterprise AI software provider. From 2005 to 2015, Dr. Ball served as Senior Vice President and Treasurer for Oracle. Prior to 2005, Dr. Ball served in a variety of finance roles at Flextronics International, Cisco Systems, Avery Dennison, and AT&T. Dr. Ball has served as the Chairman of the Board of CapConnect+, a start-up company that is focused on linking corporate bond issuers to their institutional buyers, since 2020. Dr. Ball also served as an advisor to Kyriba, a private treasury management software provider from 2017 until November 2022. Dr. Ball also served as a board member and Audit Chairman of Glu Mobile Inc, a developer and publisher of mobile games from 2013 until April 2021. Dr. Ball graduated with honors from the University of Michigan with a Bachelor of Arts degree in Economics. Dr. Ball is also the co-author of the book "Unlocking the Ivory Tower". We believe that Dr. Ball is well-qualified to serve as a director of the company given his extensive finance, mergers, and acquisition, investing and public company experience in the technology industry.

In addition to the foregoing, we believe that each of the Director Nominees that is nominated for reelection is well-qualified to serve as a member of our Board due to their prior experience and work with and on our Board.

In the election of directors, the five persons receiving the highest number of affirmative votes cast at the Annual Meeting will be elected.

## EXECUTIVE OFFICER AND DIRECTOR COMPENSATION

### Compensation Committee Report

The Compensation Committee of the Board, which is comprised solely of independent directors within the meaning of applicable rules of Nasdaq, outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), and non-employee directors within the meaning of Rule 16b-3 under the Exchange Act, is responsible for developing executive compensation policies and advising the Board with respect to such policies and administering the Company’s cash and equity incentive plans. The Compensation Committee sets performance goals and objectives for the CEO and the other executive officers, evaluates their performance with respect to those goals and sets their compensation based upon the evaluation of their performance. In evaluating executive officer pay, the Compensation Committee may retain the services of a compensation consultant and consider recommendations from the CEO with respect to goals and compensation of the other executive officers. The Compensation Committee assesses the information it receives in accordance with its business judgment. The Compensation Committee also periodically reviews non-employee director compensation. All decisions with respect to executive compensation are approved by the Compensation Committee and all decisions with respect to director compensation are recommended by the Compensation Committee to the full Board for approval.

The Compensation Committee has reviewed and discussed the compensation discussion and analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the compensation discussion and analysis be included in this proxy statement.

Respectfully submitted by the Compensation Committee:

Larry Marcus, Chair  
Dr. Eric Ball

### Compensation Discussion and Analysis

Our compensation discussion and analysis (“CD&A”) describes our executive-compensation philosophy and program as reported in the executive compensation tables that follow, which provide information relating primarily to compensation decisions for the following 2023 named executive officers (“NEOs”) of the Company:

| Name                    | Position with the Company           |
|-------------------------|-------------------------------------|
| Dr. Keyvan Mohajer, CEO | President & Chief Executive Officer |
| Nitesh Sharan, CFO      | Chief Financial Officer             |
| Michael Zagorsek, COO   | Chief Operating Officer             |
| Timothy Stonehocker     | Chief Technology Officer            |
| James Hom               | Chief Product Officer               |

### Compensation Philosophy

We have designed our executive compensation programs to support the goals below:

- Attract and retain talent that can help us scale as a newly public company and beyond;
- Directly and substantially link rewards to measurable corporate and individual performance;
- Reinforce alignment of executives with the goal of creating long-term shareholder value; and
- Start low and grow in progressing overall compensation package value to market.

Long-term incentives for NEOs are emphasized more in our executives’ total compensation packages. The Company believes that the compensation of its executive officers should align the executive officers’ interests with those of our shareholders and focus executive officer behavior on achieving both near-term corporate goals and long-term business and strategies. The Compensation Committee reviews and approves all components of the

Company’s executive officer compensation, and equity incentive compensation being weighted over 50% of their total compensation ensures that its executive officers are motivated over the long term to respond to the Company’s business challenges and opportunities as owners, thereby aligning the executive officers’ interests with those of our shareholders.

The Compensation Committee determined that the structure of our executive compensation policies continues to be appropriately aligned to the achievement of Company goals and objectives and the best interests of shareholders. Corporate performance is taken into account in setting compensation policies and making decisions, which include, but are not limited to, revenue, profitability, annual recurring revenue, and stock price.

***Compensation Governance and Best Practices***

We are committed to including strong governance standards in our compensation programs. Our key compensation practices include the following:

| <input checked="" type="checkbox"/> Prioritize performance-based, at-risk compensation  | <input checked="" type="checkbox"/> Provide significant perquisites                               |

***Stockholder Advisory Vote on Executive Compensation***

We are asking our stockholders to vote on both the compensation of our NEOs (on an advisory basis) and how often we should hold this vote. We expect that our Compensation Committee will consider the result of the annual Say-on-Pay vote in determining the ongoing design and administration of our executive compensation program.

***Determination of Executive Compensation***

Role of the Compensation Committee

Our Compensation Committee is responsible for establishing and overseeing our executive compensation programs, and annually reviewing and determining the compensation to be provided to our NEOs.

In setting executive compensation, the Compensation Committee considers a number of factors, including the recommendations of our Chief Executive Officer (other than with respect to his own compensation), current and past total compensation, market compensation data provided by an independent compensation consultant, our financial and operational performance in the most recent fiscal year, and each executive’s impact on our performance. Our Chief Executive Officer makes recommendations based on his evaluation of each executive’s performance, of which he has direct knowledge.

Role of Management

Our executives consulted with the Compensation Committee in 2023 and provided valuable insights into the Company’s operations and future expectations. The Compensation Committee also sought and received feedback from executives regarding how compensation plans should be structured to provide the maximum benefit to the Company. The Compensation Committee met in executive session to discuss, deliberate, and decide executive compensation.

Role of Compensation Consultant

Compensia (“Compensia” or the “Compensation Consultant”) has provided executive consulting services to our Compensation Committee. The Compensation Committee most recently engaged Compensia in November 2021 to provide executive compensation consulting services. At this time, Compensia provided services related to the review of our compensation levels, our equity awards, the structure of our incentive compensation plans, equity ownership, regulatory developments, and our compensation peer group. Compensia did not provide any services to the Company other than its engagement by the Compensation Committee. The Compensation Committee reviewed Compensia’s independence under NASDAQ and SEC rules and concluded that its work has not raised any conflict of interest.

Compensia developed the below peer group in November 2021, which continues to inform our executive compensation programs. Specifically, we use peer group data to obtain compensation benchmarks for our named executive officers, specifically with technology companies, with a focus on software companies, with revenue below \$500M and market cap between \$500M to \$5B.

- PROS Holdings
- Model N
- PagerDuty
- Upland Software
- Qualys
- SailPoint Technologies
- LivePerson

The current executive compensation packages are benchmarked conservatively to be reflective of a newly public company, but also competitive enough to attract and retain the right talent. Our executive compensation decisions are informed by competitive market data in addition to the reviews of individual roles and performance.

We review our compensation levels annually against our peer group and assess executives based on their individual performance and overall company performance. The Compensation Committee, comprised entirely of independent directors, then reviews these recommendations, considers any relevant guidance from the Compensation Consultant, and makes the final decision on compensation for our named executive officers.

***Elements of Compensation***

Base Salary

Base salary represents the fixed portion of an executive officer’s compensation and is intended to provide compensation for day-to-day performance. At the beginning of 2023, the Company had implemented a Salary Exchange Program (“SEP”) in place from December 1, 2022 through May 31, 2023 where the executives’ salary was reduced by 15% for the duration, and in lieu of this reduction, the equivalent value of the reduction was granted as Restricted Stock Awards at the November 30, 2022 closing price of \$1.28 and released and fully vested on August 21, 2023. Dr. Mohajer elected to participate in the 15% reduction but did not receive an equivalent grant. Also, during the annual compensation review of the executive team, no salary increases were put into effect for 2023.

As of December 31, 2023, our NEOs’ annualized base salaries were as follows:

| Name                    | Annualized Base Salary as of December 31, 2023 |
|-------------------------|--|
| Dr. Keyvan Mohajer, CEO | \$ 450,000                                     |
| Nitesh Sharan, CFO      | \$ 350,000                                     |
| Michael Zagorsek, COO   | \$ 350,000                                     |
| Timothy Stonehocker     | \$ 335,000                                     |
| James Hom               | \$ 335,000                                     |

Annual bonus compensation plan

In 2023, as part of their employment agreements, executives were eligible for bonuses, as approved by the Compensation Committee and the Board, with pre-established goals and weightings, which were designed to reward achievements based upon quantitative & qualitative Company performance (the “Company Objectives”), and to incentivize and reward NEOs for achieving performance goals that drive Company performance, align pay and performance, and support the long-term growth of the Company.

All incentive payouts are calculated based solely on Company Objectives to closely align compensation with the Company’s performance. The Compensation Committee set thresholds, target, and maximum performance goals, and related payout levels, considering annual cash incentive compensation levels for comparable positions within our peer group. An NEO could earn between 0% and 150% of the NEOs’ Target Award for achievement of Company Objectives, dependent upon the level of achieved performance. Our 2023 annual bonus compensation plan included the following goals and weightings:

| Metric                                | Weight | Target  | 2023 Performance Range | 2023 Performance Achievement (earned %) |
|---------------------------------------|--------|---------|------------------------|---|
| Revenue                               | 25%    | \$46.5M | \$43M – \$50M          | \$45.9M (91%)                           |
| <b>Fourth Quarter Adjusted EBITDA</b> | 25%    | \$2M    | \$0 – \$4M             | (\$3.7)M (0%)                           |
| <b>Annual Recurring Revenue</b>       | 25%    | \$40M   | \$30M – \$50M          | Below target (0%)                       |
| <b>Individual Performance</b>         | 25%    | N/A     | N/A                    | Achieved at varying levels up to 100%   |

Based on the Company’s strong 2023 performance, the following amounts were earned under our annual bonus compensation plan:

| Name                    | Target Bonus | 2023 Bonus Earned | 2023 Bonus Actually Paid |
|-------------------------|--------------|-------------------|--------------------------|
| Dr. Keyvan Mohajer, CEO | \$ 450,000   | \$ 215,359        | \$ 116,103               |
| Nitesh Sharan, CFO      | \$ 210,000   | \$ 100,501        | \$ 54,181                |
| Michael Zagorsek, COO   | \$ 210,000   | \$ 100,501        | \$ 54,181                |
| Timothy Stonehocker     | \$ 167,500   | \$ 80,161         | \$ 43,216                |
| James Hom               | \$ 167,500   | \$ 80,161         | \$ 43,216                |

Bonuses were paid in March 2024 based on our 2023 fiscal year performance. Even though revenue performance targets were met, the Compensation Committee reviewed the overall achievement and considered other measures of the Company and determined that 25.8% pay-out on targets was more aligned with our financial situation. Accordingly, the Compensation Committee exercised its discretion to reduce payouts to 25% of the amount earned for each of our NEOs.

Equity Incentive Compensation

The Compensation Committee believes that equity incentives in the form of service vesting-based restricted stock awards are effective instruments for long-term compensation. Restricted stock awards align individual and team performance with the achievement of the Company’s strategic and financial goals, long-term value creation, and shareholders’ interests. Restricted stock awards are impacted by all stock price changes, so the value to the executive officers is affected by both increases and decreases in stock price from the market price at the date of grant.

In benchmarking against companies in the same industry that are similar in size, value, and market cap, equity incentive awards for 2023 in the form of Restricted Stock Awards were determined by targeting the 50<sup>th</sup> percentile of our peer group. Total Compensation packages are highly leveraged on equity to provide overall packages that are both competitive to the market, while aligning our status as a newly public company on the path to profitability.

Following the Compensation Committee’s benchmarking and considering the equity awards granted to our NEOs in 2022 in connection with their entering into new employment agreements, the Compensation Committee

determined to grant service-based-vesting restricted stock to our NEOs in 2023 to enhance retention. The details of the grants made to each NEO in 2023 are shown in the table below. The awards vest in 36 monthly increments beginning in September 2023. The table below does not include the restricted stock grants made to some of our NEOs pursuant to the salary reduction program discussed above.

### Retirement Savings, Health, and Welfare Benefits

All full-time employees, including the executive officers, are eligible to participate in the health benefits programs, including medical, dental and vision care coverage, disability and life insurance and the Company's 401(k) plan.

### Other Employee Benefits

We generally do not provide perquisites to our NEOs, and we do not view perquisites or other personal benefits as a significant component of our executive compensation program.

### Severance and Change in Control Arrangements

Payments to our NEOs upon a termination of employment are described under the "Potential Payments Upon a Termination or Change in Control" table below. These compensation arrangements are contained in each NEO's employment agreement and are not a factor in the Compensation Committee's determination of current-year compensation. These arrangements are the result of arm's length negotiations.

### ***Other Compensation Policies and Considerations***

#### Derivatives Trading, Hedging, and Pledging Policies

Our insider trading policy prohibits our executive officers and directors from (i) using any strategies or products (including derivative securities, such as put or call options, or short-selling techniques) to hedge against potential changes in the value of our stock and (ii) holding our stock in margin accounts or pledging our stock as collateral for a loan.

#### Tax and Accounting Considerations

The Compensation Committee considers the tax and accounting consequences of our compensation programs, including the impact of Section 162(m) of the Internal Revenue Code, which generally limits the tax deductibility of compensation paid by public companies to certain executive officers of public companies to \$1 million. Our Compensation Committee may exercise business judgment in accordance with its compensation philosophy to award compensation that is not tax deductible if it determines that such award is in the best interests of the Company and our stockholders.

#### Award Timing

The Compensation Committee does not grant equity awards in anticipation of the release of material nonpublic information. Similarly, we do not time the release of material nonpublic information based on equity award grant dates.

Accounting for Share-Based Compensation

We follow Financial Accounting Standard Board Accounting Standards Codification Topic 718, (“ASC Topic 718”), for our share-based compensation awards. ASC Topic 718 requires companies to measure the compensation expense for all share-based payment awards made to employees and directors based on the grant date fair value of these awards. ASC Topic 718 also requires companies to recognize the compensation cost of their share-based compensation awards in their income statements over the period that an executive officer is required to render service in exchange for the option or other award.

Clawback Policy

For information on our Executive Compensation Clawback Policy, see section below entitled “Compensation Recovery and Clawback Policy.”

**CEO Pay Ratio**

Pursuant to a mandate of the Dodd-Frank Act, the SEC adopted a rule requiring that we annually disclose the ratio of our median employee’s total annual compensation to the total annual compensation of our CEO, Keyvan Mohajer, who is also our principal executive officer (the “**CEO Pay Ratio**”).

The Company’s compensation and benefits philosophy and the overall structure of the compensation and benefit programs are broadly similar across the organization and aim to encourage and reward all employees who contribute to the Company’s success. The Company strives to ensure the pay of every employee reflects the level of his or her job impact and responsibilities and is competitive within the Company’s peer group. Compensation rates are benchmarked and are generally set to be market-competitive in the country in which the jobs are performed. The Company’s ongoing commitment to pay equity is critical to successfully supporting a diverse workforce with opportunities for all employees to grow, develop, and contribute.

We identified the median employee using annual total compensation, as determined pursuant to the Company’s tax and payroll records. We then determined the median employee’s compensation in accordance with Item 402(c)(2)(x) of Regulation S-K, as if the median employee’s pay were reportable in the Summary Compensation Table. Salary and wages were annualized for any permanent employees hired during the most recent fiscal year. A total of 259 employees globally who were employed by the Company on December 31, 2023, the last day of the Company’s fiscal year, were included in the determination of this calculation (including all employees, whether employed on a full-time, part-time, seasonal or temporary basis).

As illustrated in the table below, the Company’s 2023 CEO Pay Ratio was approximately 12:1.

|   |    |           |
|---|----|-----------|
| Dr. Keyvan Mohajer, CEO 2023 Compensation | \$ | 1,863,978 |
| Median Employee 2023 Compensation         | \$ | 156,472   |
| CEO Pay Ratio                             |    | 12:1      |

**Pay Versus Performance**

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act and Item 402(v) of Regulation S-K, we are providing the following information regarding executive pay and performance. The table below shows pay both as reported in the Summary Compensation Table for the applicable fiscal year and as “compensation actually paid” (or “**CAP**”) for our principal executive officer and as an average of all of our other NEOs (the “**Non-PEO NEOs**”) for the applicable fiscal year. Both the Summary Compensation Table pay and CAP are calculated in accordance with the requirements of Regulation S-K and may differ substantially from the manner in which the Compensation Committee makes decisions regarding executive pay. We describe the Compensation Committee’s decision-making process for executive compensation above in the CD&A.

- (2) The following table describes the adjustments to the Summary Compensation Table total pay for our PEO, as well as the average for our Non-PEO NEOs, to determine CAP, which has been computed in accordance with Item 402(v). Amounts do not reflect actual compensation earned or paid to our NEOs during the applicable year.
- (3) The amounts reflect the cumulative total shareholder return (TSR) of our common stock and peer group at the end of each fiscal year. The TSR value listed in each year reflects what the cumulative value of \$100 would be if invested on the date the Company began trading on Nasdaq following its business combination.
- (4) The dollar amounts reported represent the net income reflected in the Company’s audited financial statements for the applicable year.
- (5) While we use many financial and non-financial metrics to develop our executive compensation programs, revenue is the financial performance measure that, in our assessment, represents the most important financial performance measure used to link compensation actually paid to NEOs to company performance in our most recently completed fiscal year.

**Director Compensation**

On June 2, 2022, our Board adopted and approved a director compensation policy, which provides to each of the non-employee directors (i) an annual retainer of \$32,000, payable quarterly (ii) additional annual cash retainers, payable quarterly, for committee service as follows: (A) Chair of the Audit Committee: \$20,000; (B) member of the Audit Committee: \$10,000; (C) Chair of the Compensation Committee: \$14,500; (D) member of the Compensation Committee: \$7,300; (E) Chair of the Nominating and Corporate Governance Committee: \$7,500; and (F) member of the Nominating and Corporate Governance Committee: \$3,800; (iii) an initial grant of restricted stock units having a grant day value of \$380,000, although a director may elect to receive half of the initial grant in nonqualified stock options, which initial grant shall vest over three years; (iv) an annual grant of restricted stock units having a grant day value of \$165,000, which shall vest over four quarters; and (v) travel expense reimbursement. In the event of a Change in Control (as defined in the 2022 Incentive Award Plan), any then-unvested initial grant or annual RSU grant will fully vest (and become exercisable, in the case of an option) as of immediately prior to the effective time of such transaction, subject to the outside director's continuous board service through the effective date of such transaction.

The following table sets forth information regarding compensation earned by our non-employee directors for the year ended December 31, 2023.

**Compensation Recovery and Clawback Policy**

Under the Sarbanes-Oxley Act, in the event of misconduct that results in a financial restatement that would have reduced a previously paid incentive amount, we can recoup those improper payments from our executive officers. The SEC also recently adopted rules which direct national stock exchanges to require listed companies to implement policies intended to recoup bonuses paid to executives if the company is found to have misstated its financial results.

On November 2, 2023, our board of directors approved the adoption of the Executive Compensation Clawback Policy (the "**Clawback Policy**"), in order to comply with the final clawback rules adopted by the SEC under Rule 10D-1 under the Exchange Act and the listing standards, as set forth in the Nasdaq Listing Rule 5608 (the "**Final Clawback Rules**").

The Clawback Policy provides for the mandatory recovery of erroneously awarded incentive-based compensation from our current and former executive officers as defined in Rule 10D-1 ("**Covered Officers**") in the event that we are required to prepare an accounting restatement, in accordance with the Final Clawback Rules. The recovery of such compensation applies regardless of whether a Covered Officer engaged in misconduct or otherwise caused or

contributed to the requirement of an accounting restatement. Under the Clawback Policy, our Board may recoup from the Covered Officers erroneously awarded incentive compensation received within a lookback period of the three completed fiscal years preceding the date on which we are required to prepare an accounting restatement.

### **Risk Considerations**

The Compensation Committee reviews our compensation programs continuously throughout the year to assess and mitigate against material risks. The Compensation Committee believes that the design of our annual and long-term incentives focuses performance on long-term value creation and discourages short-term risk taking at the expense of long-term results. A substantial portion of employees' compensation is delivered in the form of equity awards, further aligning their interests with those of stockholders.

The Compensation Committee believes that the following risk oversight and compensation design features safeguard against excessive risk-taking:

- Our Board as a whole has responsibility for risk oversight and regularly reviews reports on the deliberations of its committees. In addition, our Board reviews the strategic, financial, and execution risks and exposures associated with the financial, operational, and capital decisions that serve as inputs to our compensation programs.
- Through discussions with management, the Compensation Committee gains insight into a reasonable range of future company performance expectations. This information is incorporated into decisions regarding the compensation of our named executive officers.
- The majority of compensation provided to our named executive officers is delivered through equity awards, with payout based on long-term company performance. Our RSU awards vest over a long-term period, and our PSU awards are earned based on company performance. As the compensation of our named executive officers is tied to long-term performance, their interests are closely aligned with our stockholders' interests and they are motivated to carefully assess risks to the company to protect their compensation.

Given that equity compensation comprises a high percentage of our named executive officers' overall pay:

- Our equity awards are subject to vesting conditions and performance goals that promote focus on long-term interests rather than only short-term results and create compelling incentives for executive retention.
- We prohibit all speculative, short-sale, short-term, and hedging transactions involving our securities. As a result, our named executive officers cannot insulate themselves from the effects of poor stock performance.
- We have internal controls over financial reporting, the measurement and calculation of performance relative to goals, and other financial, operational, and compliance policies and practices designed to protect our compensation programs from manipulation by any employee.

### **Security Ownership of Certain Beneficial Owner and Management and Related Stockholder Matters**

The following table sets forth information known to the Company regarding beneficial ownership of shares of the Company's Class A Common Stock and Class B Common Stock as of April 15, 2024 by:

- each person known by the Company to be the beneficial owner of more than 5% of the Company's outstanding Class A Common Stock and Class B Common Stock;
- each of the Company's named executive officers and directors; and
- all executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC, which generally provide that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power over that security, including options, warrants and certain other derivative securities that are currently exercisable or will become exercisable within 60 days.

[Table of Contents](#)

The percentage of beneficial ownership is based on 320,450,411 shares of Common Stock issued and outstanding as of April 15, 2024, which calculation includes (i) 287,715,003 shares of the Company's Class A Common Stock and (ii) 32,735,408 shares of the Company's Class B Common Stock. Voting power represents the combined voting power of shares of Class A Common Stock and Class B Common Stock owned beneficially by such person. On all matters to be voted upon, subject to the rights of any holders of any series of preferred stock, holders of shares of Class A Common Stock and Class B Common Stock will vote together as a single class on all matters submitted to the stockholders for their vote or approval. Holders of Class A Common Stock are entitled to one vote per share on all matters submitted to the stockholders for their vote or approval. Holders of Class B Common Stock are entitled to ten votes per share on all matters submitted to stockholders for their vote or approval. Accordingly, as of the Record Date, a total of 615,069,083 votes may be cast at any meeting of stockholders.

In accordance with SEC rules, shares of our Class A Common Stock which may be acquired upon exercise of stock options or warrants which are currently exercisable or which become exercisable within 60 days after April 15, 2024 are deemed beneficially owned by the holders of such options and warrants and are deemed outstanding for the purpose of computing the percentage of ownership of such person, but are not treated as outstanding for the purpose of computing the percentage of ownership of any other person.

Unless otherwise indicated, the business address of each of the entities, directors and executives in this table is 5400 Betsy Ross Drive, Santa Clara, CA 95054. Unless otherwise indicated and subject to community property laws and similar laws, the Company believes that all parties named in the table below have sole voting and investment power with respect to all shares of Common Stock beneficially owned by them.

## ***Policies and Procedures for Related Party Transactions***

In connection with the Business Combination, SoundHound has adopted a written related person transaction policy that sets forth the following policies and procedures for the identification, review, consideration and approval or ratification of related person transactions. SoundHound’s policies and procedures are designed to minimize potential conflicts of interest arising from any dealings it may have with its affiliates and to provide appropriate procedures for the disclosure of any real or potential conflicts of interest that may exist from time to time.

A “Related Person Transaction” is a transaction, arrangement or relationship in which SoundHound or any of its subsidiaries was, is or will be a participant, the amount of which involved exceeds the lesser of \$120,000 or one percent of the average of SoundHound’s total assets at year-end for the last two completed fiscal years, and in which any related person had, has or will have a direct or indirect material interest. Transactions involving compensation for services provided to SoundHound as an employee or director are not covered by this policy. A “Related Person” means:

- any person who is, or at any time during the applicable period was, one of SoundHound’s officers or one of the SoundHound’s directors;
- any person who is known by SoundHound to be the beneficial owner of more than five percent (5%) of its voting stock;
- any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, daughter-in-law, brother-in-law or sister-in-law of a director, officer or a beneficial owner of more than five percent (5%) of its voting stock, and any person (other than a tenant or employee) sharing the household of such director, officer or beneficial owner of more than five percent (5%) of its voting stock; and
- any firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a ten percent (10%) or greater beneficial ownership interest.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, SoundHound’s management must present information regarding the related person transaction to the Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of the Board, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to SoundHound of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, SoundHound will collect information that SoundHound deems reasonably necessary from each director, executive officer and, to the extent feasible, significant stockholder to enable SoundHound to identify any existing or potential related-person transactions and to effectuate the terms of the policy. In addition, under SoundHound’s Code of Conduct, SoundHound’s employees and directors have an affirmative responsibility to disclose any transaction or relationship that reasonably could be expected to give rise to a conflict of interest. In considering related person transactions, the Audit Committee, or other independent body of the Board, will take into account the relevant available facts and circumstances including, but not limited to:

- the risks, costs and benefits to SoundHound;
- the impact on a director’s independence in the event that the related person is a director, immediate family member of a director or an entity with which a director is affiliated;

**COMPANY'S INDEPENDENT AUDITORS FOR FISCAL 2024**

**Appointment of Independent Registered Public Accounting Firm**

The Audit Committee appoints our independent registered public accounting firm. In this regard, the Audit Committee evaluates the qualifications, performance and independence of our independent registered public accounting firm and determines whether to re-engage our current firm. As part of its evaluation, the Audit Committee considers, among other factors, the quality and efficiency of the services provided by the firm, including the performance, technical expertise, industry knowledge and experience of the lead audit partner and the audit team assigned to our account; the overall strength and reputation of the firm; the firm's capabilities relative to our business; and the firm's knowledge of our operations. PricewaterhouseCoopers LLP has served as our independent registered public accounting firm since 2023. Neither the accounting firm nor any of its members has any direct or indirect financial interest in or any connection with us in any capacity other than as our auditors and providing audit and permissible non-audit related services. Upon consideration of these and other factors, the Audit Committee has appointed PricewaterhouseCoopers LLP to serve as our independent registered public accounting firm for the year ending December 31, 2024. If our stockholders do not ratify the selection, it will be considered as notice to the Board and the Audit Committee to consider its appointment for future years. Prior to the appointment of PricewaterhouseCoopers LLP, Armanino LLP served as the Company's independent registered public accounting firm from 2020 through 2023.

A representatives of PricewaterhouseCoopers LLP is not expected to attend the Annual Meeting; however, if a representative is present, they will have the opportunity to make a statement if they desire to do so and are not expected to be available to respond to appropriate questions.

**PROPOSAL 3**  
**APPROVAL ON AN ADVISORY BASIS OF THE COMPENSATION OF**  
**NAMED EXECUTIVE OFFICERS**

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “**Dodd-Frank Act**”) and Section 14A of the Exchange Act, the following proposal, commonly known as a “Say on Pay” proposal, enables our stockholders to vote to approve, on a non-binding advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with applicable SEC rules.

Our goal for our executive compensation program is to attract, motivate and retain a talented team of executives who will provide leadership for our success, and thereby increase stockholder value. We believe that our executive compensation program satisfies this goal and is strongly aligned with the long-term interests of our stockholders. We urge stockholders to read the section titled “Executive Officer and Director Compensation” elsewhere in this proxy statement for additional details about our executive compensation programs, including information about the compensation of our named executive officers in 2023.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This “say-on-pay” proposal gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers described in this proxy statement. Accordingly, we will ask our stockholders to vote FOR the following resolution at the Annual Meeting:

“RESOLVED, that the stockholders of SoundHound AI, Inc. approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the SoundHound AI, Inc. proxy statement for the 2024 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC.”

This say-on-pay vote is advisory, and therefore, is not binding on us, our Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders, and to the extent that this resolution is not approved by a majority of the votes properly cast, we may review and consider the results of this advisory vote in future compensation deliberations.

*Required Vote*

The affirmative vote of the holders of a majority of the Common Stock represented and entitled to vote at the Annual Meeting is required to approve, on a non-binding, advisory basis, the compensation of our named executive officers.

*Recommendation of the Board*

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL, ON A NON-BINDING, ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

**PROPOSAL 4**  
**CONDUCTING FUTURE STOCKHOLDER ADVISORY VOTES ON**  
**THE COMPENSATION OF NAMED EXECUTIVE OFFICERS**

Under the Dodd-Frank Act, public companies are generally required to include in their proxy solicitations, at least once every six years, an advisory vote on whether an advisory vote on named executive officer compensation (such as the say-on-pay proposal that is included in this proxy statement) should occur every one, two or three years. It is management's belief, and the recommendation of our Board, that this non-binding advisory vote should occur every three years.

We believe we have effective executive compensation practices. Our Board believes that providing our stockholders with an advisory vote on named executive officer compensation every three years will encourage a long-term approach to evaluating our executive compensation policies and practices. In contrast, focusing on executive compensation over an annual or biennial period would focus on short-term results rather than long-term value creation, which is inconsistent with our compensation philosophy, and could be detrimental to us, our employees and our financial results.

Moreover, our Board does not believe that a short review cycle will allow for a meaningful evaluation of our performance against our compensation practices, as any adjustment in pay practices would take time to implement and to be reflected in our financial performance and in the price of our Common Stock. As a result, an advisory vote on executive compensation more frequently than every three years would not, in our judgment, allow stockholders to compare executive compensation to our performance.

Lastly, we believe that conducting an advisory vote on executive compensation every three years would allow us adequate time to compile meaningful input from stockholders on our pay practices and respond appropriately. This would be more difficult to do on an annual or biennial basis, and we believe that both we and our stockholders would benefit from having more time for a thoughtful and constructive analysis and review of our compensation policies.

For the above reasons, our Board recommends that stockholders approve holding an advisory vote on named executive officer compensation every three years.

You may cast your vote on your preferred voting frequency by choosing the option of one year, two years or three years, or you may abstain from voting when you vote in response to the resolution set forth below.

“RESOLVED, that the option of once every year, two years, or three years, that receives the highest number of votes cast for this resolution will be determined to be the stockholders' preferred frequency with which SoundHound AI, Inc. is to hold a stockholder advisory vote regarding the executive compensation of its named executive officers, as disclosed pursuant to the SEC's compensation disclosure rules.”

*Required Vote*

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the advisory vote on the compensation of our named executive officers that has been selected by stockholders. However, because the vote on this proposal is only advisory in nature and is not binding on us or our Board, our Board will review and consider the results of the vote, but may decide that it is in our best interests and the best interests of our stockholders to hold an advisory vote on the compensation of our named executive officers more or less frequently than the option approved by our stockholders.

*Recommendation of the Board*

**THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR “3 YEARS” FOR THE FREQUENCY OF CONDUCTING FUTURE STOCKHOLDER ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION.**

Stockholders intending to present a proposal or propose a director nominee at our 2025 Annual Meeting must comply with the requirements set forth in the Bylaws and comply with the requirement of Rule 14a-8 of the Exchange Act. The Bylaws require, among other things, that a stockholder must have given timely notice any proposal in writing to the Secretary of the Company. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 60 days nor more than 90 days prior to 2025 Annual Meeting of Stockholders; provided, however, that in the event that less than 70 days' notice or prior public disclosure of the date of the 2025 Annual Meeting of Stockholders is given or made to stockholders, notice by a stockholder, to be timely, must be received no later than the close of business on the 10<sup>th</sup> day following the day on which such notice of the date of the 2025 Annual Meeting of Stockholders is made in a press release via a national news dissemination service or in a document filed with SEC pursuant to Section 13, 14, or 15(d) of the Exchange Act. SEC rules permit management to vote proxies in its discretion in certain cases if the stockholder does not comply with this deadline and, in certain other cases notwithstanding the stockholder's compliance with this deadline. Proposals or nominations not submitted in accordance with such requirements will be deemed untimely or otherwise deficient; however, the Company will have discretionary authority to include such proposals or nominations in the proxy materials for the 2025 Annual Meeting of Stockholders.

### *Householding*

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and notices with respect to two or more stockholders sharing the same address by delivering a single proxy statement or a single notice addressed to those stockholders. Some brokers household proxy materials, delivering a single proxy statement or notice to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement or notice, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, please notify your broker.
